

## **GREEN ACADEMY 2024 □ STAY WITH THE TROUBLE! □ August 24-28, Komiža**

Komiža is a small town, with all locations within 10 minutes of walkable reach.

**ACCOMMODATION:** Participants will be accommodated in two-bed bedrooms in Hotel Biševo, where a significant part of the program will take place. Breakfast and dinner will be provided to all participants at the hotel. The hotel does not provide lunch, so participants will need to arrange their lunch on their own, during the siesta break.

\*In the unlikely case the hotel gets fully booked, some participants will be accommodated in private accommodation. These participants will be timely informed.

**TRAVEL:** All participants first need to reach the Split port. It is very close to the train and bus station. From the Split airport, one has to take a shuttlebus to the Split port. From Split port there are regular ferry lines to Vis. At [www.jadrolinija.hr](http://www.jadrolinija.hr) you can check the timetable to arrange your personal travel itineraries. Once you arrive to Vis island, there is a shuttle bus at the port that goes to Komiža, and you can check its timetable here <https://www.komiza.hr/wp-content/uploads/2024/07/Komi%C5%BEa-Vis-Komi%C5%BEa.pdf> (you arrive directly to center of Komiža, from where you have a short walk to Hotel Biševo).

\*Those willing to visit and take part in the workshops at the Island School of Autonomy (including some voluntary work, refreshments, visit to Tito's cave and a conversation with Srećko Horvat) are advised to bring a hat, a bottle of water, gloves and hiking shoes (the terrain is not suitable for flip-flops), as it includes some light 20-minute hiking. Buses will be organised to transport participants to and from the location. These workshops will be available on the 25th and 27th. Each day a maximum of 50 people can take part in the workshop, so every participant will be able to participate on one of the two days.
